Performance Schedule

Approximately 2 hours including one 20 minute interval.

A full performance lock out period applies, with latecomer entry points at approximately 10 minutes into each act.

Smoke, haze and lighting effects will be used during this performance.

This production contains mature themes and scenes that some audience members may find distressing.

These include stylised depictions of violence (including murder and suicide), themes of death and grief, representation of drug use, sexual themes and suggestive content, and psychological manipulation and distress.

This production is classified as M – Suitable for mature audiences.

It may be attended by all ages but is more suitable for viewers aged 16 and over. Parental discretion is strongly advised, particularly for younger or more sensitive audience members.

We encourage audiences to consider these themes when deciding if the performance is appropriate for themselves or those in their care.
